

**Council District Six**  
**City of San Diego**  
**MEMORANDUM**

**DATE:** September 14, 2006

**TO:** Councilmember Jim Madaffer, Land Use & Housing Committee  
Chair

**FROM:** Councilmember Donna Frye *Donna Frye*

**SUBJECT:** Draft Oversized Vehicle Ordinance

---

In April 2005, the Land Use & Housing Committee initiated discussions regarding an Oversized Vehicle Ordinance. As a result of the final vote taken during this meeting, the draft ordinance was assigned to a working group, which gathered public input and amended the draft to reflect the suggestions brought forth by interested organizations and community members. Most recently, the draft ordinance was brought before the Parking Advisory Board, which voted to initiate a pilot program, with the geographic locations to be set by the City Council.

Unfortunately, since the Parking Advisory Board's vote in May 2006, no further actions have been taken. Therefore, I respectfully request that the issue be brought before the Land Use & Housing Committee for further discussion, and passed on to the City Council so that we may implement the pilot program recommendation and address this Citywide issue.

I sincerely appreciate your attention to this matter.
